

# TEASPA-COLLECTION

*"A bath  
refreshes the body,  
a cup of tea, the spirit."*

Japanese saying

## Time to indulge, with our new TeaSpa collection

Offer your demanding guests a very special experience of indulgence and enjoyment for the senses, with the TeaSpa varieties from EILLES TEE, for beauty and vitality from within. Because, in addition to restorative sleep, the body most needs plenty of fluids, which ideally should give new strength and refresh the senses. Our four delicious EILLES TEE TeaSpa varieties are composed for different needs.

### ORGANIC TEASPA AYURVIVA

*Revitalise body and spirit, for pure energy. This spicy-fresh herbal delight with ginger, rosemary, mint, chamomile, orange peel and lemon grass delights with a balanced flavour composition inspired by the Far East. A comforting hint of vanilla aroma makes it a wonderful experience for the senses.*

Art-No. 44131

### ORGANIC TEASPA MAGICA

*Enchant your senses with an exotic freshness experience. This dreamily fruity herbal composition of mild rooibos, nettle leaves, apple pieces and sunflower blossoms intrigues the palate with the delicate flavour of mango and orange blossoms. Refined with the magical aroma of the tonka bean, it's true refreshment for everyday heroes.*

Art-No. 44129

### ORGANIC TEASPA HARMONIA

*Regain your equilibrium. This balanced herbal potpourri with turmeric and tangerine oil is like a time-out from the workday, that lets you regain your strength. Select birch and nettle leaves, combined with lemon grass, hop cones and St. John's wort, are like a massage for stress-plagued spirits.*
