KLASSISCHE LINIE

OUR OFFER – YOUR ADVANTAGE

A responsible partner for quality

With our Classic Line, EILLES TEA offers a wide range of timeless tea classics for the discriminating guest. Because responsible enjoyment is important, not just to us as a manufacturer but also increasingly to your guests, many of our teas bear the ETP seal.

Out of our passion for good tea and our responsibility to the producers, with many of our varieties we meet the high standards of the Ethical Tea Partnership, which combines the most important principles of sustainability and fair trade.

Our Tea Diamonds® in the innovative Pyramid bag offer a perfect flavour experience. With its modern yet stylishly elegant design, the Luxury World Selection is also a treat for the eyes. The small packaging units (5 x 20 teas iper carton) enable you to offer a versatile assortment, that with the right accessories and attractive presenters can be a real eye-catcher.

JUNGE LINIE

OUR OFFER – YOUR ADVANTAGE

The trend is responsible enjoyment

Demand continues to rise for organic and fair trade products. With our Young Line you can offer guests teas bearing the seals they look for.

High-quality products made of select raw materials to fair trade standards have long had a home at Darboven. So it's natural for us to offer customers fair trade teas of top quality.

In addition, the ingredients for many of the Young Line teas come from controlled organic agriculture and bear the official organic seal. The Young Line offers a wide selection with a natural appeal for responsible tea drinkers.
