### Indulge yourself with the EILLES Tea Spa organic collection

Pack type: 250 g bags, sealed for freshness

Your guests will only settle for the very best, so let them experience the unique sensual delights of the Tea Spa organic loose teas collection by EILLES: teas that represent inner beauty and vitality. Alongside adequate sleep, the body's main requirement is sufficient fluids. Ideally, these shouldn't just give you energy and put a spring in your step, but should also refresh the senses. Our three delicious EILLES Tea Spa varieties are designed to meet these diverse requirements.

#### 4160 BIO TeaSpa Ayurviva = Energy

A herbal blend with a variety of ingredients and an apple-lemon flavour. It reinvigorates body and soul with pure energy. Far Eastern indulgence for health conscious individuals

#### 4161 BIO TeaSpa Magica = Refresh

A heavenly fruity herbal composition with a lovely apple-quince flavour.

#### 4162 BIO TeaSpa Harmonia = Relax

Herbal blend flavoured with lemon. This balanced herbal potpourri stimulates and helps you to reduce stress levels and summon up new energy.
