PREMIUM QUALITY LOOSE TEA

Tea is a sophisticated drink with a history of almost 5000 years and is the most widely taken beverage across the world. Loose leaf and broken tea offer the highest taste experiences. According to our philosophy „EILLES TEA for highest expectations“ our expert tea tasters have arranged and compiled an assortment of the best tea cultivation areas across the globe. This includes a range of over 3000 well-known aromatic varieties.

BLACK TEA

DARJEELING ROYAL FIRST FLUSH FTGFOP1 LEAF NO. 73R

Splendid springtime picking with a lot of white tips, a fresh lily of the valley odour and a light-orange cup colour.
